Bank Mandate to [Name of Bank]

Dear Sirs

[Name of Company holding the account] respectively our central cash management [name of the central cash management office] will in future make use of the Electronic Funds Transfer Service EFT of Fides Treasury Services Ltd. ('Fides Treasury'). We therefore mandate [Name of Bank] as follows:

We herewith authorise [Name of Bank] to accept and process payment orders received on our behalf from Fides Treasury for our following account(s):

| Currency | Account Number |
|-----------------|-----------------------|
| Currency 1 | Account Number 1 |
| Currency 2 | Account Number 2 |
| Currency 3 | Account Number 3 |

The payment orders will be transmitted by Fides Treasury to your bank in the form directly agreed with you by Fides Treasury. If the SWIFT system is used, Fides Treasury will forward the payment orders from its SWIFT address CRESCHZFET.

Authorisation to issue payment orders will be verified by Fides Treasury. Fides Treasury will use the authorisation rules as agreed directly with your bank to forward payment orders on our behalf. [Name of Bank] should regard such duly authorised payment orders as payment orders issued by ourselves.

In other respects, the usual payment rules and regulations of your bank as well as the agreed prices are applicable for such payment orders.

We also request you to confirm to Fides Treasury at the address below using, if available, for this purpose your internal designate account sheet, the following information:

- **Exact account number format required in SWIFT MT10x messages for above accounts**
- **For each account, SWIFT BIC to be used for MT10x payment instruction**

Signed by [Company holding the account(s)]
